Dear Sir,

My dog Smokey suffers
from a type of summer Eczema.
It was very bad until I got
a 4oz. bottle of your Skin Balm.
He's had many prescriptions
from our Vet., but only your
product works. And I didn't
get your product at the Vets.
My Husband is retired and
due to ill health cannot drive.
And its a long trip to the
Pet Shop to buy your Skin
Balm.

Would it be possible to order
direct from you? If so, could
you send me an order
blank, price list etc.
I'd very much appreciate
it. Your Skin Balm is

is a terrific product and
really helps Smokey.
Before using Happy Jack Skin
Balm, he was in misery
and nothing helped.

Waiting to hear from you,
I remain,

Sincerely yours
Mrs. Myron Ridgeway

Pet products, send info.
But I really need the Skin
Balm for Smokey's comfort.
